### Stewardship Thoughts:

Through the working of the Holy Spirit, Who opens our hearts and minds to understand God's Word, we learn that riches do not consist solely of money. Actually, true riches may have very little to do with money. True wealth have to do with a right relationship with Jesus, Who brings joy, love and peace.

**READ ABOUT TRINITY HOPE** on the bulletin board in the Atrium:

Isaiah 52:7 says, "How beautiful on mountains are the feet of those who bring good news, who proclaim peace, who bring tidings, who proclaim salvation, who say to Zion, "Your God reigns!" We always say that the children who attend the Christian schools that have Trinity Hope feeding programs in them, are the best little missionaries! They come to school and receive physical food for their body, but more importantly they receive spiritual food for their soul, by learning about the love of Jesus Christ. Then they take that Good News and travel home and share it with the rest of their family and friends. They are the little "feet who bring the good news!"
