Sunday School Lesson Today

Today's Sunday School lesson teaches the children "Jesus Ascends into Heaven" to prepare a place for us there with Him (Acts 1:1-11; Luke 24:44-53).

Ask the children to tell you about Jesus' ascension and what it means for them.

TO ALL SUNDAY SCHOOL PARENTS:

May 21 will be our last day of Sunday school until we resume in the fall. We have a fun day planned! We will all meet in the church to practice a few songs. If your child is available, we would like to have them sing for the opening of the 10:30 service that day. The older kids are invited too!

We will go to the gym following our opening and will have a large group activity that day. Students should be picked up in the gym after Sunday school hour unless they will be singing in the 10:30 service. If singing, we will keep them until they sing. Hope to have lots of happy faces and beautiful voices fill the church!

Thank you in advance,
The Board of Christian Education
