PROJECT LINUS donates handmade blankets to children in local hospitals, crisis centers, foster care and trauma situations like disaster relief. Our local chapter is accepting donations of fabrics including cotton, flannel and fleece. If you have some of these fabrics in your home and would like to donate them, please know they will be put to good use. They only need to be from a smoke-free environment. *There is a basket for donations in the gym through the month of July.*

For more information, check out www.projectlinus.org or contact Nitelle Lading at 821-9694.

THANK YOU! We received a call from a cancer patient who wanted to personally thank St. John's for the gift bag of assorted goodies while she was receiving treatment at the local Cancer Center.

Your donations of small water bottles, lip balm, pretzels, colored pens and activity pages have been packed and delivered by the Evangelism Board along with information about our church. Please know that your love and concern reaches far beyond our walls.

VBS UPDATE!

This year's mission project included collecting \$\$ for our adopted school through Trinity Hope. The children and adults who wanted to support the feeding program at Chatelain raised \$1,100.59! An anonymous donor from Texas told the staff at Trinity Hope that they would **MATCH** our gift, **DOUBLING** the amount for our school!
